

## **23rd International Logistics and Supply Chain Congress (LMSCM2025)**

**Congress theme:** "Sustainable and resilient supply chains in the Generative AI Era".

Dear Academics and Researchers,

The 23rd International Logistics and Supply Chain Congress (LMSCM2025) will be held on October 16–17, 2025, at Istanbul Topkapi University, hosted by the Department of Management Information Systems, in collaboration with the Logistics Association (LODER) and Cranfield University (UK).

Since 2003, this congress has provided an excellent platform for researchers and practitioners to discuss current and emerging trends in logistics, supply chain management, digital transformation, artificial intelligence, Industry 4.0, production, global trade, economics, and sustainability.

The main theme of this year's congress is: "Sustainable and Resilient Supply Chains in the Generative AI Era."

LMSCM2025 will be organized in hybrid format. Submitted papers in English will undergo a double-blind peer-review process based on scientific quality and originality. Accepted papers will be presented at the congress and published in an e-proceedings book or through other designated publication opportunities, regardless of the mode of presentation.

All necessary details are available on the congress website.

**Congress website:** <http://lmscm2025.topkapi.edu.tr>

**Deadline for Abstract Submission:** July 4, 2025

Notification of Acceptance for Abstract: July 15, 2025

Deadline for Full Manuscripts Submission (Optional): August 15, 2025

Notification of Acceptance Paper Submission: August 30, 2025

We look forward to welcoming you in İstanbul.

Sincerely,

**Prof. Dr. Batuhan KOCAOĞLU**

Istanbul Topkapi University, Congress Chair

**Prof. Dr. Mehmet TANYAŞ**

LODER, Maltepe University, Congress Co-Chair
